ABOUT US

# Jade Sağlık

Our company which has been founded by colleagues with almost 20 years experience in Turkish health sector with expertise in many different areas (pharmaceuticals, OTCs, medical devices, cosmetics) provides A to Z consultation to companies who either wants to grow their existing business in Turkey or who wants to enter the market.

# Mission & Vision

## MISSION

Jade Health aims to act as part of your company at the areas you need expertise and information:

Feasibility on Turkish health sector, licensing, strategic planning, business development etc.

We can support you start your business in Turkey either through a business partner or we can help your local entity grow in the marketplace.

## VISION

To be the first, top-of-mind consultancy company in the health sector with our services that manage all phases of business development.
